

# ADVANCED OPEN WATER DIVER COURSE

**August 23, 26, 27, 29**

Move up and experience real adventure with the PADI Advanced Open Water Diver course. As you step beyond the PADI Open Water Diver level, you make five dives and have the opportunity to try some of diving's most rewarding and useful specialty activities, such as navigation, night diving, deep diving, wreck diving and drift diving. These skills make diving much more than underwater sightseeing. Plus, the Advanced Open Water Diver course takes you one step closer to Master Scuba Diver – the ultimate non-professional certification in recreational diving.

With your PADI Instructor, you'll complete the 5 Adventure Dives. These dives boost your confidence as you build these foundational skills.

- Must be a PADI Open Water Diver (or qualifying certification from another training organization) and 15 years old (12 for Junior Advanced Open Water Diver)
- Number of dives for the course: 5 (Five)
- Each Adventure Dive in the PADI Advanced Open Water Diver course may credit toward the first dive of the corresponding PADI Specialty Diver course (ie: Deep, Wreck, Night, etc.)
- Materials: Adventures in Diving manual
