The Float N' Flag Dive Centre is thrilled to announce the return to Wakatobi Dive Resort, one of the world's best kept secrets and a spectacular reef system. The July 2011 trip was a huge success and several of the attendees have already signed up for the Jan 2013 trip.

Float N' Flag is proud to announce that we will be leading a spectacular, once in a lifetime trip to this stunning destination in January 2013. To make it even better, we'll have on board photography instruction from the accomplished photographers from Ikelite. All the FREE photography advice you can take! Limited space is available for this adventure, so let us know ASAP if you want to come along.

THE WAKATOBI VILLAS "PARADISE"

For travelers seeking the best, these are our nicest accommodations. They are located on the northern end of the resort beach and are perched on a rocky ledge with superb views over the ocean and sunset.

Each villa is a modern design and constructed of earthy materials such as wood, glass and sandstone. They are more spacious than any of our other accommodations and are decorated for luxurious comfort and relaxation.

VILLA OPTIONS

Villa 1

The closest villa to the heart of the resort (restaurant and longhouse). Situated at the Northern Corner of the Beach complete with its own Bale. This villa offers direct beach access. Enjoy a relaxing massage in the Bale.

Villa 2

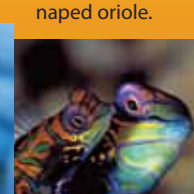

Our "Honeymoon Villa". The most private of all our villas. Enjoy sunset lounging on the sundeck overlooking the ocean with a drink or two. This villa also has its own sand garden. Enjoy the sea and sun amidst the orchids in your own idyllic corner of the resort.

Villa 3

An open plan style villa in conjunction with villa four. Comes with infinity pool and sundeck.

Villa 4

This is the newest of the Wakatobi villas. This villa is open plan and the closest the ocean. Enjoy spectacular sea views from your own sundeck. Sip cocktails to the gentle burbling of our tidal water feature. This villa is good for birdwatching as it is near the boundaries of the resort that is a reserve for terrestrial wildlife. Watch collared kingfishers hunting or a morning visit from the black naped oriole.

SELECT BUNGALOWS

The Select Beach Bungalows are located directly on the beach north of the jetty. They're simply gorgeous! They all have huge front porches with comfortable lounge beds / cushions and stunning views. They also have indoor bathrooms and Asian spa-style outdoor showers.

STANDARD BEACH & GARDEN BUNGALOWS

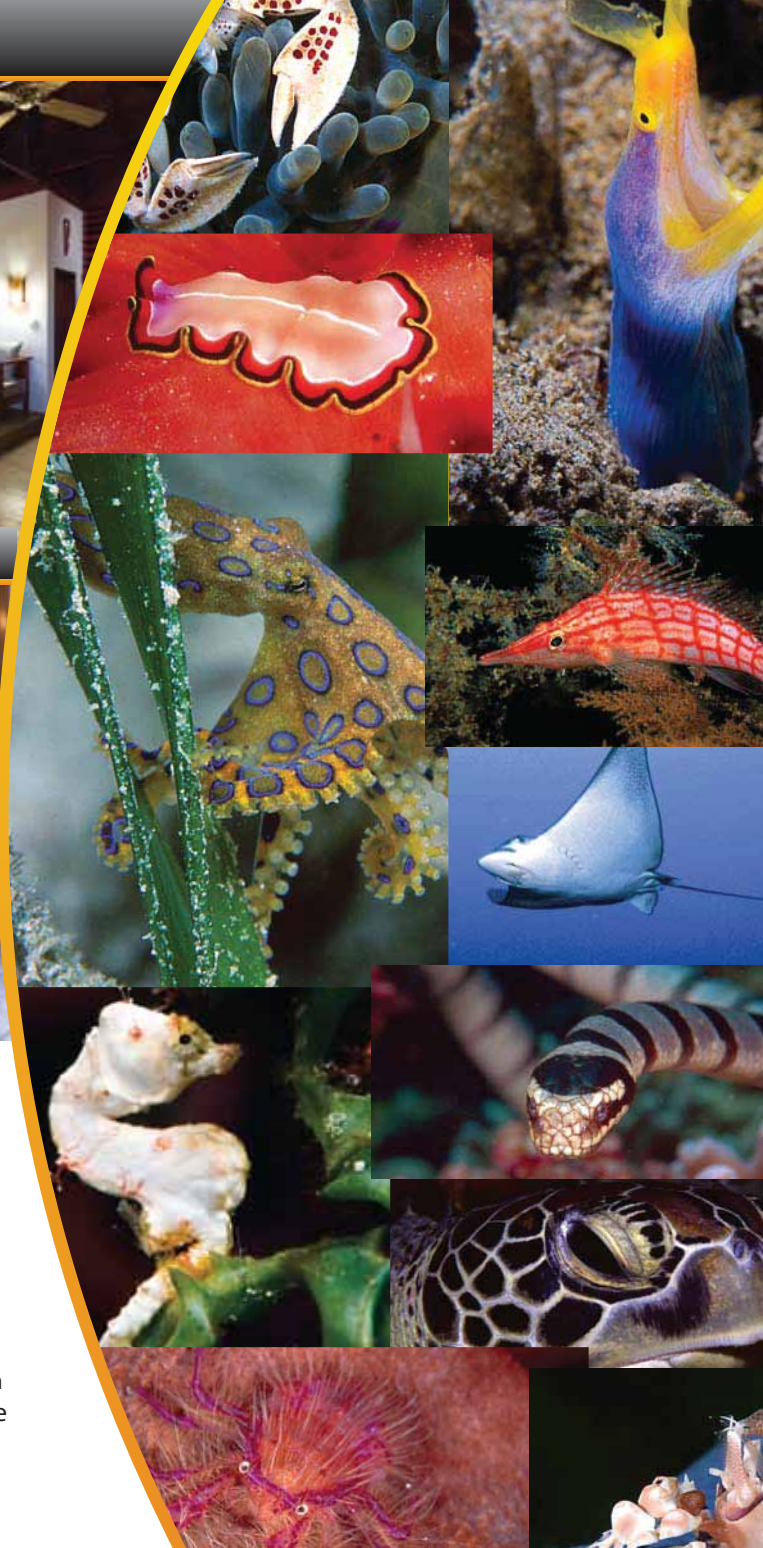

BEACH BUNGALOWS

Front row with an ocean view on the south or west beach. See the fish jump, hear the gentle waves and listen to the birds - all while seated on the balcony or in one of the comfortable lounge chairs in front of your bungalow. The ones on the south end of the resort are the ones with the best breeze from the ocean and are an excellent choice for those who prefer to enjoy a

holiday in the tropics without the use of air conditioning.

GARDEN BUNGALOWS

These very comfortable "cabanas" are located slightly behind and in-between the front-row bungalows amidst beautiful palm trees and other tropical plants. Available both on the south and west section of the Resort. Some garden bungalows have partial ocean view.
